

The logo features the letters 'IQ' in a large, white, sans-serif font. Below 'IQ' is the word 'DIGITAL' in a smaller, white, all-caps, sans-serif font. At the bottom, the word 'UPDATE' is written in a white, all-caps, sans-serif font inside a white rectangular box with rounded corners. The entire logo is centered on a background of overlapping, semi-transparent geometric shapes in shades of purple and magenta.

FACTORY

all about operational performance

Focus on global problems from industry

The shortage of skilled workers is affecting almost all factories worldwide

The “digital islands” - isolated IT systems from factories - are forcing companies to extra efforts to consolidate data

Lack of operational data in real time is leading to important losses

Pressure on lowering the carbon footprint and sustainability. Top priority in manufacturing.
